Frequently Asked Questions

What is the YMCA People Helping People Scholarship?

The Mount Vernon YMCA believes in providing membership and program services to all who desire to participate. The YMCA's scholarship, supported in part by the Untied Way of Knox County, uses all available resources to provide support to those who have financial need and qualify for assistance.

Who is eligible for the Scholarship?

Anyone may apply. Approvals are made on an individual basis and based on a sliding-fee scale with total household income and number of dependents taken into consideration. Family, adult, and youth memberships are available. Children 18 and over must be in college to be included in a family membership.

If I receive the scholarship, what is expected of me?

Upon approval, a YMCA representative sends a letter of the conditions of the scholarship to you. Those conditions include the length of your scholarship, your commitment to pay the amount allotted to you, and the activation of your award letter within 30 days. Once the application and all required documents are received, the review process usually takes between 7-10 days.

Why do you need financial assistance? Please be specific and state why a membership to the YMCA will benefit your household.
