COVID-19 Information

We are very excited to continue to provide a program to keep kids in the community active. As Covid-19 is a constantly evolving situation, we will announce any restrictions no later than November 15th that will take place for our season. We realize there are many different opinions in our world right now and it is our hope to be able to offer programming that is safe while getting back to what feels normal for this basketball season! We appreciate your support.
